Dear Mr. Lister:

On June 29, 2003, you came into the office and spoke with Sheri Wysong about your Bullseye operation. You stated that you planned to do some reclamation at the site to reduce the financial guarantee you will be required to submit to the BLM.

As of a surface compliance inspection conducted on September 5, 2003, no reclamation had taken place. If you have done reclamation since then, or are still planning to do so, please contact Sheri Wysong at (435) 743-3124. If we don't hear from you by November 30, 2003, we will go ahead and calculate the reclamation cost for the disturbance we documented on September 5, 2003.

Sincerely,

Jerry Mansfield
Geologist
